Criteria for Honorary Life Membership for the Oliver Curling Club

1. Receive a nomination in writing.
2. One who has devotedly, consistently, and unselfishly worked and played for many years.
3. One who has helped in the building and maintenance of the club.
4. One who has helped with club activities. For example, bonspiels, kitchen and bar duty, decorating and painting, cleaning and renovating.
5. One who has served on the club executive
6. One who has helped to promote and encourage curling by taking in new curlers, and by participating in local and out-of-town functions.
7. A good Sport.

Because one has worked for one or two years only, or has become a curling champ, an honorary life membership should not be awarded as it lessens the value of any honorary membership for those who have already received. one.

The above criteria should be met before and honorary membership is awarded.
This is a very PRESTIGIOUS AWARD
